ART, MUSIC, AND INSTRUCTIONAL MATERIALS BLOCK GRANT GOALS

Options for Youth San Juan will utilize the Art, Music and Instructional Materials Block Grant to invest in priority projects that will enchance teaching, learning and school culture.

A. Obtaining standards-aligned professional development and instructional materials for specified subject areas
Actions: Create Partnerships with communtiy programs for music and art education for our At-Promise youth with standards aligned curriculum. Staff will also create instructional materials to build school culture with topics that are pertentant to our at-promise youth to build community and school culture.

B. Obtain instructional materials and professional development aligned to best practices for improving school climate, including training on de-escalation and restorative justice strategies, digital literacy, physical education, and learning through play.
Actions: Engage in professional development by attending a Safe School Conference yearly. In addtion, incorporate new survey platforms that include both school climate and social emotional markers, and allow for increased stakeholder feedback to better serve our At-Promise students.

C. Developing diverse, culturally relevant and multilingual school library book collections: It is the intent of the Legislature that these book collections and culturally relevant texts be used to provide support for pupils through the establishment of site-based school and classroom libraries that are culturally relevant to pupils' home and community experiences and be available in English, pupils' home language, or a combination of more than one language
Actions: The charter will develop lending libraries for the community with multicultural books in english and different languages to engage our community.

D. Operational costs, including retirement and health care cost increases
Actions: The charter will cover retirement and health care cost increases for the staff.
